PRIVATE LAND HUNTING ON BIG TIMBER RANCHES

Absaroka-Beartooth Outfitters is lucky enough to headquarter in Big Timber, Montana with some unique ranches just minutes away. Local landowners of these properties have been gracious enough to allow us the opportunity to offer our hunters and anglers access to some very special hunting and fishing areas. One such ranch is 20,000 acres of rolling hills just twenty minutes north of Big Timber. With the Crazy Mountains as the backdrop the ranch flourishes with wildlife as Little Timber Creek and Swamp Creek meander through the hillsides. Though this is a special permit area for elk, if you are lucky enough to draw a permit, there are opportunities for trophy bulls. With a general deer license you can harvest a mighty fine mule deer or whitetail deer. Of the eight plus ranches we currently hunt this is the only one that requires a special permit for elk. The other ranches may be hunted with a general season combination license or individual elk and deer licenses. All antelope hunts require a special permit. Our ranch hunts are fully guided, spot and stalk hunts. We hunt by horseback, vehicle or both. Accommodations include a comfortable tent camp or a private hunting cabin with all meals provided.

*A plus for our private land hunters is our ability to move from ranch to ranch during the hunt in order to give them the best opportunity for harvesting an animal.
